Conditions or Reasons for Planning Application - 08/AP/2661

Conditions or Reasons:

1) The signage by reason of its size and internal illumination is considered to be out of context with the surrounding area and is an obtrusive addition to the streetscape detracting from the character and appearance of the Tower Bridge Conservation Area. As such the signage is contrary to Policy 3.23 'Outdoor advertisements and signage' and Policy 3.16 'Conservation areas' of the Southwark Plan (2007).
